

## **Safe and Drug Free Plan**

Baxter Junior High aims to provide a safe and drug free environment. We will take a proactive approach in intervening with violence and drug use in our school and community.

### **Goals:**

- Baxter Junior High will provide a safe and structured environment, free of violence
- Baxter Junior High will promote a drug free environment
- Baxter Junior High will encourage a culture of respect for self and respect for others
- Baxter Junior High will support families and the community in nurturing the potential of our students

### **Programs/Initiatives:**

- Baxter Junior will conduct “Red Ribbon Week” and “Respect Week” to inform students about the harmful effects of drugs and consequences of violence.
- Baxter Junior High will offer students support services such as, school counselors, Communities in Schools (CIS) and Licensed Professional Counselors to help with concerns related to violence and drug use.
- Baxter Junior High will recommend DAEP/Expulsion for any student in possession, under the influence, or attempting to deliver drugs on campus.
- Baxter Junior High will conduct regular unscheduled searches, using metal detectors and drug dog to identify banned items.
