

Joe C Bean High School | After School Support – 2021

TUTORIALS | 9TH-12TH | MON-THURS | 3:30-5PM

After School Support

Joe C Bean High School is offering virtual after school tutorials. Each subject will have a google classroom that has an accompanying link to provide support virtually for our students. Teachers will be available in their classrooms from 3:30pm to 5:00pm. We will provide support for all four core subjects. Students are welcome to use campus level tutorials should the teacher of record not be available. Please read the remainder of the flyer and below you will find the links to the virtual classrooms. Feel free to have your child drop in for some much needed support.

Teacher Expectations

Every support teacher has created a google classroom for students to come in for help. The support teacher will either clarify the directions of an assignment given or help the student look up information to answer their questions. In the event the support teacher cannot find the answers to a students questions they will email the teacher of record with the student's name and issue. This will help create dialogue between the teacher and the student.

All Teachers will:

- Be in their classroom with the meet open at 3:30pm
- Take attendance at the end of every session (After School Support Student List)

Student Expectations

Students can choose to receive help in Math, Science, Social Studies, or English. Students can simply click on a link below and it will take them to the correct classroom. The student will present their screen when called upon to receive help. The students will have:

- Assignments ready to share
- Microphones muted
- Cameras off
